

# BACKYARD BIRD SURVEY

## WHAT TO DO

1. Select a garden, park or school.

ADDRESS SURVEYED HERE:

2. Choose any ONE day during Conservation Week 15-23 September 2018
3. Look for birds for ONE hour.
4. Use this tally sheet to record for each species the HIGHEST number seen (or heard) at one time.

### EXAMPLE:

If you see 2 blackbird at the same time, cross 2.

☒	☒	3	4	5	6	7
---	---	---	---	---	---	---

If you then see 4 blackbirds together, cross up to box 4, not 6.

☒	☒	☒	☒	5	6	7
---	---	---	---	---	---	---

If you later see 3 blackbirds, stay at 4. Do not add up to 7.

☒	☒	☒	☒	5	6	7
---	---	---	---	---	---	---

If the count exceeds the boxes, then enter the final number into the space provided by the bird's name.

5. Submit your results by dropping this form into **Whakatāne iSITE**
